My dear Sir:

Could you send me a copy of "Spanish Songs of Old California" for examination? I should like to see if it would be suitable for my classes.

Dear Madam:

We do not send the Song Books on inspection; but I think you would run little risk in ordering one if you are teaching Spanish, or interest^{ed} in Spanish in any way. The book has found favor in every state in the Union, and is being used in a great number of schools.

Sincerely Yours,
